

Cheshire East Safeguarding & Dignity Awards 2018

Cheshire East Safeguarding and Dignity Awards 2018 event, took place on the 15 November, jointly hosted by Cheshire Safeguarding Adults and Children's Boards at Congleton Town Hall.

The awards were an opportunity to celebrate and recognise good practice in organisations, teams, individual workers or volunteers with regards to treating people with dignity, and supporting and protecting children and adults at risk from abuse, harm or exploitation.

The awards celebrated 25 winners from across Cheshire East including two residents who won the public community award for noticing signs of abuse in a regular customer and reporting it to our safeguarding teams.

Councillor Janet Clowes, Cheshire East cabinet member for adult social care and integration, presented one of the awards and said:

"We see from the examples of what these people do, that it is extraordinary. It's not just a day job it is a vocation, and as we've seen from real examples today, people have been protected and in some cases, lives saved".

Congratulations to all our winners".
