## How Safeguarding works

A member of staff will contact you to find out what has happened and what you would like to happen next? You may require information or want a full enquiry to take place. You will be involved in all stages of the process.

You will be involved in an enquiry as will any of your family and friends if you wish them to be.

You will be invited to participate in meetings. You may come alone, with a representative or send someone on your behalf. If you choose not to attend your views will be represented and you will be advised of the outcome.

Your contact is:

## Working Together

You have been given this leaflet because concerns about your well being have been raised. Cheshire East Council will consider these concerns under the Cheshire East Council Safeguarding Adults Policy.

We promise that you will have choice and control over what you want to happen and what happens next.

Whether you just need information or you want a full investigation, you will be involved every step of the way.

## Our Promise

- Listen to you
- Understand your views and wishes
- Take you seriously
- Treat you with respect
- Support you to feel as safe as you want
- Support you to make your own decisions
- Keep you informed and involved
- Tell you what will happen next

## What do you want to Happen?

- I want the abuse to stop and to feel safe
- I want to help protect myself in future
- I want help to feel more confident
- I want the abuser to stay away from me
- I want to be involved in what happens next
- I want people involved in my case to do what they say they will
- I want the police to prosecute
- I want to access any support available to me
- I want to make more friends
- Something else.....
